By combining a methodical mindset with a creative sensibility, I design innovative, research-driven, user advocating solutions that are sleek, intuitive, and effortless.

Experience

October 2018 - Present

UX Designer Apprentice | Bloc

Enrolled in a 500+ hour project-based program under remote mentorship of accomplished UX professionals.

July 2018 - Present

Digital Marketing Associate | Informa Engage

Headed the email marketing for the top grossing products in our brand portfolio. Re-engineered under-performing campaigns through analysis, A/B testing, design rework, and audience segmentation. Conducted user research to grow engagement with our marketing platforms.

January 2018 - June 2018

Marketing Program Intern | American Red Cross

Managed text, email, and direct mail campaigns while overseeing their execution. Monitored segmentation and altered due to consumer needs. Launched our text messaging response program increasing donor attendance by 27%.
